## ABOUT ME

Enthusiastic Medical Graduate, Artist and Front-End Web Developer with photographic memory and a passion for creating visually appealing user-friendly websites.

I thrive on delivering seamless digital experiences through efficient written code that elevates brands and engages with users. I am always eager to learn and adopt new technologies to stay at the forefront of the industry.

In my spare time, I enjoy skateboarding, photography and travelling. I also love to bake cakes and cupcakes.

## EDUCATION

- **Front-End Engineer | Codecademy - April 2023**
- **Full Stack Web Development | Udemy - October 2022**
- **Medicine - Nizhny Novgorod Medical State Academy - September 2013 - July 2019**
